Dear Sir or Madam:

The IRS Detroit Computing Center (DCC) has received and processed a Registration of Money Services Business form, Which you have filed. This acknowledgement letter is the only proof of your MSB registration status. You will be sent an acknowledgement letter each time you file an Initial Registration, Renewal or Re-registration.

Enclosed is a computer-generated facsimile of the Registration form, which you have filed. Please verify that the information in the facsimile is complete and correct, including the Signature and Date of Signature. If corrections are necessary, please indicate corrections on the facsimile, and use the enclosed envelope to return the completed/corrected facsimile to IRS-DCC within 20 days from the date of this letter. Do not send a new Registration form.

If the facsimile does not need to be corrected, please keep it and this acknowledgement letter for your records with a copy of your filed Registration form. You are required to retain a copy of the filed Registration form for five (5) years from the date of filing.

You are also required to renew your registration by filing FinCEN Form 107, registration of Money Services Business, and checking box 2(b) Renewal, by December 31 of the second calendar year from the date on which you were initially required to be registered. Thereafter, you must file the MSB Registration form to renew your registration every 24 months by December 31.

If you have any questions regarding this letter, please write or call the IRS-DCC using the information above. Thank you for your cooperation in this matter.

Sincerely yours,

/s/ John N. Sobczak
